DREAMS:

Inner Dialogue or Night Talk with God?

What should we make of our dreams?
Are they the result of eating too many spicy
noodles before bed?

Could dreams be internal movies on the
screen of our soul?

Could dreams even be messages from God
in picture language?

In past centuries dreams have been given
far more value than many of us tend to
give them today.

This course will give a Biblical perspective of
dreams and look at how God can use them
to speak to us directly or indirectly.

Students are encouraged to dream and bring
their dreams to class.
