The contents of these lessons seek to help believers understand Deep Inner Healing as a process. Before behavioural changes can take place, believers must allow the power of the Holy Spirit to renew their minds and transform their hearts. Deep Inner Healing can bring restoration to the individual, giving them the strength to live out God's purposes for his/her life. This course is structured to help you do three things: give you firsthand experience of Deep Inner Healing, exercise God's Keys To Freedom and engage in spiritual disciplines to maintain your healing.
