## KEYS TO FREEDOM 2

(Applicable only for participants who had attended Prep & Keys to Freedom 1)

Perhaps the words of Eugene Peterson "A Long Obedience in the Same Direction" are most apt to describe this sequel to our Inner healing and growth process. This is the next step to maturity after rediscovering God's love and receiving His healing. At its core are carefully thought out lessons to help instruct the believer who is perhaps still wrestling along the faith journey. At the same time we hope to share keys with you to move from one stage to another without being stuck. With our observations and approaches we hope to build believers to greater liberty and meaning in life. Truly it is our desire to see victims being transformed to victors. And so...on with the journey!
